

# TOWN OF COMOX

## PUBLIC WORKS ENGINEERING TECHNOLOGIST

The Town of Comox is presently receiving applications for the position of Engineering Technologist. This is a full time Union (CUPE Local 556) position with a rate of pay of \$33.05/per hour, plus benefits.

The position of Engineering Technologist, under the supervision of the Municipal Engineer, involves the review of documentation, plans and works relating to the construction and maintenance of municipal infrastructure to ensure compliance with engineering standards, specifications and codes and regulations. The Engineering Technologist is also responsible for producing engineering drawings, surveying and other related data, and the collection and assisting in project cost estimates and budgeting. The Engineering Technologist reviews plans referred by the Planning Department relating to development permits, development variance permits, building and plumbing permits and applications for service from utility companies. The Engineering Technologist also reviews traffic engineering works including traffic signals, signs and specifications, reviews and updates street lighting requirements and recommendations to the Public Works Superintendent, as well as a variety of other public work related duties.

### REQUIRED KNOWLEDGE & SKILLS:

- diploma in Civil Engineering Technology from a recognized educational institution or equivalent academic training and experience
- current certificate in Applied Science Technology
- thorough knowledge of civil engineering principles and practices and knowledge of legislated civil construction codes and regulations
- good interpersonal, oral and written communication skills, computer skills and ability to deal with the public with tact and diplomacy
- ability to interpret and apply Town bylaws, policies and engineering specifications
- preferred knowledge and experience with ESRI Geographic Information Systems
- valid Class 5 BC Drivers Licence

**A detailed job description is available on request.**

Applications for this position will be received until **4:30 PM, TUESDAY, MAY 23, 2017**. Please **direct your application** to Shelley Ashfield, P.Eng., Municipal Engineer, Town of Comox, 1809 Beaufort Avenue, Comox, BC V9M 1R9 or email [ashfield@comox.ca](mailto:ashfield@comox.ca).

We wish to thank all applicants; however only those selected for an interview will be contacted.
