

Town of Comox and Comox Valley Regional District Development Cost Charges

This synopsis of Development Cost Charges is for convenience purposes only and should not be used for legal or interpretive purposes without reference to the original bylaw and amending bylaws.

The table below shows Development Cost Charges (DCCs) payable in the Town of Comox.

- Payable DCCs include those established by the Comox Valley Regional District (CVRD) for water and sanitary sewer as well as the Town's DCCs.
- Check on the applicability of DCCs to specific properties as some charges only apply to specific areas within the Town.
- Some multi-family and all commercial, industrial, institutional, public utility and congregate care projects will pay DCCs at the time of BUILDING PERMIT issuance. DCCs are payable at the time of SUBDIVISION APPROVAL for single-family/duplex lots and in some cases for multi-family lots.
- If a proposed subdivision is not completed prior to the expiry of its Preliminary Layout Review, the subdivision will be subject to any new DCC bylaws.
