

Comox Valley | Shape the Future

What do you think the Comox Valley should be like in 2050? How can it be more sustainable? What do YOU want to see happen?

Give us your ideas! Contest and bursaries are open to youth under 20.

1. Bursary: \$500 bursary available for youth input.

Go Deep - write an essay (max.750 words) on sustainability in your region.

2. Bursary: \$500 bursary available for youth input.

Go Broad - gather input from other youth on their ideas. Create a survey, make a community map, or hold a group conversation. Help get youth voices into this process.

3. Youth Photo contest: Win a \$100 gift certificate from Simon's Cycles.

Submit a photo showing an element of your community that you like. Or capture an image of something that worries you and needs changing.

Get involved in a sustainable future for your region. Deadlines and more info at:
