

TOWN OF COMOX 2018 GENERAL LOCAL ELECTION

Registering to Vote

If you were listed on the Provincial Voters List, you should not have to register again. The Town of Comox uses the Provincial Voters List prepared by Elections BC, to which we add registered Non-Resident Property Electors. Visit the Elections BC website to register as a Provincial voter, check if you are a registered voter, or to update your registration information.

NOTE: If you register provincially after mid-July 2018, you will not be on the Town's List of Electors, as the Town will have already received the Provincial Voters List. Therefore, you are asked to call Town Hall (250.339.2202) and speak to either the CEO or the Deputy CEO to confirm if you are on the Town of Comox List of Electors. If you are not on the Town's List of Electors, you may still register, in person, until Tuesday, August 28, 2018 at Town Hall, or when you vote at Advance Voting, Additional Advance Voting or on General Voting Day.

To register you must bring at least two documents that prove who you are (BC Driver's Licence, BC ID, Care Card, SIN card, Citizenship Card, bank credit or debit card) and where you live (telephone, hydro, or gas bill, property tax document); and one of these documents must contain your signature.

NOTE: Please note that combined BC Driver's Licence and Care Card count as 1 piece of ID only.

Non-Resident Property Electors must also bring evidence of ownership (recent Land Title Certificate) and a Consent form signed by a majority of owners. Contact the CEO or Deputy CEO for the required forms.
